

Premium Efficiency Cooling Program

Premium Efficiency. Optimal Performance. Good Sense.

2010-11 Incentive Schedule

Eligible Equipment	Unit	New or Replace on Burnout (\$/unit)	Early Retirement at Recommended Efficiency (\$/unit)	Recommended Efficiency for maximum incentive and energy savings
Minimum Requirement for New Construction or Replace on Burnout			Required for Early Retirement Incentive	
PTAC or PTHP (Packaged Terminal unit in Hotel/Motel Guest Room) 11.8 EER (replacement) or 13.0 EER (new construction)	ton	\$200.00	\$200.00	13.0 EER or higher
Packaged or Split System AC or HP <65k SEER = 14.0	ton	\$50.00	\$125.00	SEER 14 and 12 EER or higher
Packaged or Split-System AC or HP <65k SEER = 15.0 or 12.5 EER	ton	\$100.00	\$150.00	SEER 15 and 12.5 EER or higher
Packaged or Split-System AC or HP <65k SEER = 16.0 or 13 EER	ton	\$200.00	\$200.00	SEER 16 and 13 EER or higher
Packaged AC 65k to 239k (EER 11.5 or higher)	ton	\$50.00	\$125.00	12.0 EER or 12.1 IEER or higher
Packaged AC or HP 240-759k (EER 10.8 or higher)	ton	\$50.00	\$50.00	11.0 EER or higher
Commercial Evaporative Cooler (11.5 EER or higher)	ton	\$80.00	\$110.00	13.5 EER or higher
Commercial Packaged Economizer Retrofit (Climate Zone 6, 7 or 8) in pre-1978 buildings	ton	\$50.00	\$50.00	Incentives available for at-code replacement units with permit and EPA benchmarking certificate. Set to: Economizer Lockout=NO, DB limit = 68, Max OSA = 100%
Permits required in compliance with local regulations for Customer or Contractor Incentives. EPA Commercial Benchmarking and Reservation required for Customer Incentives. The Premium Efficiency Cooling Program is funded by California utility customers and administered by San Diego Gas & Electric Company (SDG&E®) under the auspices of the California Public Utilities Commission, through a contract awarded to Conservation Services Group. California customers who choose to participate in this program are not obligated to purchase any additional services offered by the contractor. The trademarks used herein are the property of their respective owners.				

Customers must reserve funds prior to installation and notify Contractor at time of bid that they intend to file for program incentives. For a reservation form, contact Conservation Services Group at (888) 369-1608 or visit www.premiumcooling.com. Reservations do not guarantee funding or approval of final equipment selection. Customers must provide reasonable access to program inspectors and/or measurement and evaluation contractors for verification of equipment installation. Incentives posted and effective 4/1/2010. Subject to change without prior notice. Program ends December 31, 2012 or when funds are no longer available.
